## Approach to Care Management

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed, will require some level of care management. Evergreen Home Care provides excellent Care Management in close collaboration with our clients. We are constantly monitoring our clients to make sure you are receiving the most benefit from your package and attaining the goals stipulated by you in your Care Plan and defining new goals in the process. We can incorporate many allied health services including Physiotherapy, Podiatry, Occupational Therapy, Speech Therapy and Reflexology and also organise equipment, gardening and home maintenance, including carpet and window cleaning.
